

Harith Yasser AL-Hanai

Postal Address: Post Box: 27, P.Code: 315

Al batina,Swaiq, Sultanate of Oman.

E-mail: Harithyasser@hotmail.com

Telephone: + (968)95669966

Nationality: Omani.

Personal Profile

Motivated, adaptable and responsible graduated, seeking position in the process engineering. During the degree, this person successfully combined his studies with work at Baker Hughes company International, showing organization skills, motivation, and capability to work under pressure. This individual can work on his own initiative or in a team and is eager to learn and progress.

Key Skills & Abilities

- Communication
- Teamwork
- Problem – solving
- Flexibility
- Computer Skills
- Able to offer ideas
- Able to meet deadlines
- Excellent interpersonal, leadership skills.

Interests and activities and job related-generic and certification

- **Engineering Handbook**
- **Hydraulics system**
- **Basic mechanic**
- **Well control equipment**
- **Down hole calculation**
- **Roto-jet 4 1/2", 3 1/8", 2 1/8" and 1 3/4".,**
- **Basic Fluid Pumping / Pressure Testing**
- **sand vac& well vac down hole tool**
- **vortex nozzle tool**
- **Job master**
- **Water control**
- **Sand control**
- **HPCT**
- **N2 level 1**
- **H₂S Awareness & Escape (Escape Hood).**
- **DT vehicle passenger**
- **HSE introduction**
- **PDO passport**
- **Schumberger HSE passport**
- **Gas test**
- **First aid level 1**
- **Hazard identification level 1**
- **QHSE induction**
- **SIPP level 2**

- **Circadian Rhythm level 1**
- **Electrical safety level 1**
- **Fire safety level 1**
- **Hazardous materials level 1**
- **Health and hygiene level 1**
- **Lock- out tag – out level 1**
- **Mechanical lifting level 1**
- **Noise /nuisance**
- **Permit to work**
- **Work shop safety**
- **Self Contained Breathing Apparatus Authorised User.**
- **Basic fire extinguishers**
- **DT2 commentary Drive**
- **DT2 schlumberger Driver**

Work Experience

2014- Up to know

Weatherford thru Tubing intervention services (Milling, Fishing and Packers), (Middle East & North Africa)

fishing

- . Hydraulic (flow release) Overshots / Spears
- . Mechanical Overshots / Spears
- . Snipper (cutting) Overshot
- . Continuous Tubing Overshot
- . Bakkehammer
- . Coiled Tubing Jars and Slings
- . Other fishing tools (flow activated grabs, mechanical running tools..)

2-milling –

- Downhole Motors – CTD and e-CTD, Screen subs
- . Downhole Motors – MacDrill
- . Under reamers
- . Mills – carbide, tungsten carbide, diamond
- . ClearCut Mill Technology
- . Wash nozzles, rotojet, Macjet
- . Cyclone Bailer
- . Hydraulic Tubing Anchor and Cutting
- . Hydraulic Kickover Knuckle Joint

3-inflates packers-plugs)

- . Inflatable Retrievable Production Packer (IRPP)
- . Inflatable Retrievable Bridge Plug (IRBP)
- . Electric Line Set Inflatable Retrievable Bridge Plug (E-IRBP)
- .. XFLO Setting tool
- . XHRT Retrieval Tool
- . CT Running Tool
- . Plug Adapter Kits
- . Ball Drop Circulating Sub

2013 – Present

Baker Hughes Company

Filed SUPERVISOR (*leadership for Safety Excellence (Supervisors)*)

Coil tubing SUPERVISOR Pumping General. Supervising the CCT operations, planning for the operations, directing the crew.

- N2 Lift.
- Fishing & Milling.
- Matrix Acidizing.
- CT Logging.
- CT Perforating
- Down hole Tools.
- HPCT, Category IV.
- CoilFRAC

Duties and Responsibilities:

- Safe Journey Management audit.
- Provide input into the development and update of new company inspection procedures and techniques.
- Well Service Supervisor IV

2011 – 2012

IPC Services

Coil Tubing Senior Supervisor

- N2 Lift.
- Fishing & Milling.
- Matrix Acidizing.
- CT Logging.
- CT Perforating
- Down hole Tools.
- HPCT, Category IV.
- CoilFRAC

2008 -2011

BJ Services

Senior Coil Tubing Supervisor

Operation responsibility

- N2 Lift.
- Fishing & Milling.
- Matrix Acidizing.
- CT Logging.
- CT Perforating
- Down hole Tools.

- HPCT, Category IV.
- CoilFRAC

2005 – 2008

Schlumberger Company

Coil Tubing Supervisor Level -1

- N2 Lift.
- Fishing & Milling.
- Matrix Acidizing.
- CT Logging.
- CT Perforating
- Down hole Tools.
- HPCT, Category IV.
- CoilFRAC

Duties and Responsibilities:

- Toolbox meeting & planning.
- Safety induction to all rig crew
- Prepare and submit Weekly and monthly HSE reports
- Incident Investigation and reporting
- Minimize LTI (loss time injuries) to ALARP (as low as reasonably practicable).
- Emergency response and evacuation procedure.
- Educating and training all rig crew about HSE policies and procedures.
- Empowerment to stop unsafe acts.
- Train and assist Rig Technical Clerk.

Duties and Responsibilities:

- Develop HSE Plans and Procedures.
- Identify Hazards, unsafe acts / conditions and measures to control.
- Analyze Hazards and carry out Risk Assessment.
- Attending and conducting HSE meeting and conducting safety drills as per Schedule.
- Attending PDO meeting.
- Advising the Operation manager on HSE issues.
- Target is Zero LTI.

Education and Qualifications

Sep, 2010-Current

International Maritime College Oman

Bachelors of Engineering in Process Operations technology

Subjects:

Engineering Chemistry, Technical Mathematics, Process Technology, Transport and Control of Fluid, Process Operation & Troubleshooting, Process Instrumentation & Control, Analytical Chemistry, Technical Math III, Chemical Process Calculation I, Organization & Communication, Chemical Process Calculation II, Statistical Quality Control, Engineering Materials,

Heat Transfer & Heat Exchangers, Separation Columns, Process Economics & Industrial Management, Business Correspondence & Communication, Chemical Process Calculation III, Health, Safety & Environment for Supervisors, Process Unit Start up & Shut Down.

2003/2004 Diploma in Well Engineering In Fire Safety Engineering College

Subjects:

Introduction to Drilling, Introduction to Chemistry, Technical Writing, Introduction to Petroleum, Fluid Mechanics, Basics of Drilling Engineering, Petroleum Production Technology, Natural Gas Technology, Health, safety & Environment.

2002 to 2003: Studing in Faculty of Pharmacy Jamia Hamdard in New Delhi

2001 to 2002: High School Certificate at "Omar bin AL-khattab School".

Languages

- Arabic (mother Tongue): Reading, Speak and Write fluently.
- English: proficient in Speaking, Writing and Reading.

HSE Training by Petroleum Development of Oman (PDO)

- Oil Field Explosive Safety API RP-67.
- PDO Defensive Driving License of Blacktop. (DD01)
- Health, Safety & Environment Induction (HSE Induction).
- H2S Awareness & Escape (Escape hood).
- Basic Life Support (First Aid).
- Job Hazard Analysis.
- Incident Investigation.
- Initial Fire Response.

- Gas Testing with Practical.
- Permit To Work Signatories.
- Safe Journey Management.
- Safety Leadership for Supervisors.
- IWCF (International well Control Forum Well Intervention L2).
- Dealing with Hazards and Risks.
- Self Contained Breathing Apparatus with Practical (SCBA).
- Chemical Handling Awareness.
- Naturally Occurring Radioactive Material for Supervisors (NORMS).

Interests & hobbies

Swimming, Foot ball, Read books, Computers, Internet, Sport and traveling.
